The average time needed to load one batch of images for different number of load workers (double)

Legend:
- size = 20, S = 20
- size = 20, S = 80
- size = 50, S = 20
- size = 50, S = 50
- size = 50, S = 80
- size = 80, S = 50
- size = 80, S = 110

x-axis: Number of load workers
y-axis: time (ms)
